Education-only services. Not legal advice. Not lending. Not credit repair.

Purpose

Our outreach and community engagement activities are designed to increase awareness, participation, and preparedness within housing education and readiness programs administered by agencies and nonprofit organizations.

How Outreach Is Conducted

- Distribution of program-approved informational materials
- Coordination with agency partners and community organizations
- Education-focused outreach at approved community locations or events
- Phone, email, or text reminders related to education and participation

Community Engagement Approach

Engagement focuses on clear, respectful, plain-language communication that helps participants understand program expectations, education sessions, and next steps. All engagement is education-only and non-transactional.

Participant Follow-Up

Follow-up activities may include session reminders, attendance confirmation, and education-related check-ins to support consistent participation and readiness.

Tracking & Reporting

Outreach and engagement activities are documented through outreach logs, attendance records, and engagement summaries. Information is provided to agencies in summary or final reports, as required.

Compliance & Boundaries

All outreach and engagement services are education-only. 750 Club LLC does not provide legal services, financial advice, lending, credit repair, or real estate transactions. Clear boundaries are maintained to support agency compliance.
