

Capability Statement

750 Club LLC provides education-only housing readiness support for public agencies, municipalities, nonprofits, and housing programs across Michigan (and virtually as requested).

Core Competencies

- Housing Education Workshops (NAICS 611430): homeownership pathways, budgeting, documentation readiness, and next-step planning.
- Outreach & Enrollment Support (NAICS 624229): phone/text outreach, appointment setting, intake support, barrier tracking, and weekly reporting.
- Program Support Consulting (NAICS 541611): light program operations support, participant tracking, checklist workflows, and progress memos.
- One-on-One Housing Readiness Sessions (NAICS 624229): 30–45 minute sessions with a personalized readiness checklist and action plan.

Differentiators

- Agency-ready reporting: weekly and final templates designed for program files and compliance documentation.
- Participant-friendly delivery: plain-language education that improves engagement, completion, and follow-through.
- Fast deployment: a ready-to-go vendor pack (slides, handouts, forms, trackers) to launch services quickly.
- Education-only scope: clear boundaries (not credit repair, not lending, not legal advice).

NAICS Codes

- **611430** — Professional and Management Development Training (Housing Education Workshops).
- **624229** — Other Community Housing Services (Outreach, Enrollment, and 1:1 Readiness Sessions).

Agency-Friendly Delivery Model

Standard deliverables provided for each engagement:

- Branded workshop materials (agenda, slides, handout, sign-in, feedback).
- Intake + readiness checklist + action plan template.
- Tracking system (outreach + participant + pipeline) in Google Sheets format.
- Weekly report(s) and final summary report (PDF) with outcomes and next steps.

How to Engage

- Micro-purchase / short-term contract friendly.
- Virtual or on-site delivery options.
- Flexible packaging: workshop-only, outreach-only, or combined program support.
